

*Roe vs. Wade* did more than make abortion legal, it created a mission field.

We don't need to convince our clients of their need for help, or their need for God. Most come carrying a burden from promiscuous living. Some come intent on getting rid of a child that would complicate their own. As we listen to their hearts, we look for teachable moments to talk about fetal development, alternatives to abortion, and personal spiritual issues. We share with them truth from God's Word: truth about mercy, forgiveness and the power of God that can change their lives.

At the Women's Care Pregnancy Center, we believe that there is no hopeless cause. We believe that God can turn a seemingly disastrous situation into a blessing, if He is permitted. The message of HOPE that we share with every person we minister to is that God loves them and He wants them to trust Him with their life.

### **Would You Like To Be A Missionary In Your Own Back Yard?**

- \* Pray regularly for the ministry and outreach of the center
- \* Volunteer to be a volunteer
- \* Support the WCPC financially to help save and change lives
