

Mom, you are to be honored ...

You gave the greatest gift possible - You chose LIFE. You allowed God to use you to bring about a miracle. The miracle of life He created within you and in His image. A special life with a future and a hope. A life in which each heartbeat and each breath is a gift. Thank you for giving your heart and your all for LIFE - You are loved and worthy of HONOR!

At the Hope Pregnancy Care Center, we encourage those facing an unplanned pregnancy to see life as sacred and special. We help them to see that life is the best choice. They are not alone, even though they are scared and overwhelmed. Choosing to be a Mother is the highest calling and privilege. We honor and support every woman that chooses life!

Thank you for standing with us as we strive to uphold the sanctity of every human life. If you would like to become a volunteer and help more women choose life, call us today at **931-237-1997**. You can also help to save and change lives by visiting our website:
