

For such a time as this...

Never in our generation has the future of life, liberty and freedom been so uncertain. On the political scene, there is skepticism, concern and questions as to what will happen with abortion and the battle to protect life. Now, when the issue of life hangs in the balance, it is not the time to fade or become weary, but to be bold, strong and very courageous. Now is the time to stand firm for LIFE!

At the Hope Pregnancy Center, our hope does not come from who is in the White House or in the Government. Our hope is in the Lord who is the author of life. He has called us to minister to those facing an unplanned pregnancy so that they might choose life for their unborn child. We have been placed here today for such a time as this in order to help save and change lives! We are more committed than ever before to speak the truth in love and stand in the gap for those who have no voice. We would like to invite you to join us in providing HOPE.
